

South Miami Hospital

Schwartz Center Rounds

A multidisciplinary forum where caregivers discuss difficult emotional and social issues that arise in caring for patients.

TARGET AUDIENCE

Physicians, Psychiatrists, Psychologists, Nurses, Social Workers, Respiratory Therapists and all other interested healthcare providers.

OBJECTIVES

- Upon completion of this conference, participants should be better able to:
- Address the social, emotional, ethical, and personal issues that arise during the care of patients, and examine their impact on caregivers.
 - Demonstrate enhanced communication with patients, family members and colleagues.
 - Identify opportunities to explore and apply multiple perspectives across professions and disciplines in order to provide and receive professional support.
 - Develop a model for behaviors of nonjudgmental listening and respect.

DATE

Thursday, April 8, 2010
